

Constitution Revision Task Force Update
March 2016

Following the February Board Meeting, the CRTF revised the draft Constitution as requested by the Board. This revised version is being taken to the congregation and the elected committees (Board, Endowment, NLDC, COM, Audit) for discussion and feedback.

Attached is the revised draft Constitution. We will keep the board informed of feedback as the individual meetings go forward. We will be asking for board approval at the April Board meeting, to take the proposed Constitution for a Member vote on May 15, 2016.
