

Music Committee Charter

The mission of the Music Committee is to support the work of the Minister of Music and the music programs of the Church and to promote community through music.

The goal of the music committee is to offer throughout the year, various concerts, workshops, cabarets and sing-a-longs to the congregation and the wider community.

Committee members work together in conjunction with the Minister of Music to plan events, publicize, sell tickets and plan receptions.

The music committee chair usually serves a two year term after which he/she will either hand it off to another person or have the option to serve another term.

The committee generally meets 2 – 4 times a year as needed.

Accountability – The committee will submit a report for the Annual Report.
