

**Very Fine Life Time Volunteer Award
Commemoration Plaque**

The Board of Trustees of The Unitarian Church in Westport authorizes the creation of a memorial plaque(s), listing the names of all Very Fine Life Time Volunteer Award recipients. Each year the plaque will be updated with the name of the new winner(s).

As this plaque celebrates those Congregants who demonstrate “consistent, outstanding, and otherwise unacknowledged volunteer contribution made to the pastoral, administrative, congregational and/or financial life and health of this community”, we request it be hung in an area where Congregants gather on a regular basis – the foyer, fellowship room or sanctuary.
